VOL. LIX:. No. 49. REDWOOD CITY, CALIFORNIA SATURDAY, MARCH 8, 1919. ESTABLISHED 1859

## THE CITY FATHERS OPEN BIDS FOR IMPORTANT WORK

At the regular meeting of the city council held last Monday evening bids for the construction of a sewer on Stambaugh street in the Eastern Addition were opened. Eight contractors submitted bids, ranging from $1182.80 to $1759.40. The lowest bids was from C. B. Cowden of San Francisco and he was awarded the contract, Frederickson and Shannon were only $4.96 higher than the successful bidder.

Following are the bids for the completed work:

Chas. J. Lindgren, Burlingame, $1759.40.

Jas. Casey, San Jose, $1219.71.

C. B. Cowden, San Francisco, $1182.80.

Frederickson & Shannon, Fresno, $1187.76.

Moran Improvement Co., San Francisco, $1520.46.

Dreyfus Bros., Redwood City, $1469.60.

Pacific States Construction Co., San Francisco, $1284.76.

A. J. Reeder, San Francisco, $1284.90.

A communication was received from the Bear Gulch Water company, stating that they were now prepared to furnish the National Magnesia Manufacturing company, located just outside of the city limits ,with water. Inasmuch as the concern was not in the city limits the board could do nothing in the matter.

H. A. Mason, secretary of the California Municipalities, addressed a communication to the board calling attention to the Motor Vehicle Act which provides that the money collected by the state for automobiles licenses and fines is divided equally between the state and the county in which the vehicle is registered. An amendment to the Act is now pending in the legislature which provides that a portion of the money so collected shall go to the city in which the same is registered.

On motion the board instructed Clerk Price to write to our representatives and urge the passage of the amendment.

Professor S. P. McCrea addressed the board calling attention to the fact considerable damage was being done to the school gymnasium by someone, probably boys, by breaking locks and taking the electric lights and other things found loose. The matter was referred to Chief of Police J. P. Coleman, who said that he had watched the building and also instructed the night man to keep a watch on the building.

Ordinance No. 198, imposing a license on persons conducting cleaning and dyeing works in the city of Redwood, was given its final reading at the meeting and adopted.

The matter of selecting plans for a new fire house was brought up for consideration, and a committee of three from the fire department, consisting of Julius Allain, Clarence Choate, Ed. Dearborn and Ed. Allen, appeared and submitted three plans which they had received from different architects for the new fire house. The committee stated that the members of the fire department held a meeting Sunday afternoon and had selected the plans submitted by Architect J. R. Miller. On motion the trustees accepted the recommendation of the firemen.

The plans accepted by the trustees and firemen call for a two-story re-inforced concrete building. On the first floor is the apparatus room, with a wash room and a small acid room. On the upper floor, there is a large assembly hall, reception rooms for men and ladies, two bed rooms and a bath room.

The question of a site was discussed and Trustee Ryan suggested that an ideal and central location would be on the school property along Center street, just opposite the city hall. He said he did not think any difficulty would be experienced in getting the necessary land from the school trustees.

### C. J. HYNDING ESTATE ORDERED DISTRIBUTED

On Thursday last the estate of C. J. Hynding was ordered distributed by Judge Buck. The estate was appraised at $44,975 and from this amount was deducted the expenses of administration and other small sums making a total of $3,236.52, leaving a balance of $41,738.48 to be distributed share and share alike to Andrew Hynding and Mrs. Cecelia Helena Hynding Graves, children of the deceased. Mrs. Graves resides in New York and Mr. Hynding in South San Francisco. The inheritance tax amounted to $217.38. Mr. Hynding died at Redwood City on October 15, 1917. Ross and Ross, the attorneys for the estate, received a fee of $1232.

### NO TRIALS BY JUDGE BUCK ON 17TH OF MARCH

Attorney F. B. Tuttle of San Francisco arose in the Superior court at Redwood City Tuesday and asked Judge Buck to set the case of H. Higueras vs. N. M. Martin for trial on Monday, March 17.

"But that is St. Patrick's Day and there will be no cases tried in this court that day," said the judge.

"Is the court serious?" asked Attorney Tuttle.

"Yes, the court means what it says," replied Judge Buck. "I do not want any cases that day, as I may wish to attend some of the St. Patrick's Day exercises."

The court then agreed with the attorneys to set the case for trial on March 21.

### INTERESTNG LETTER FROM ALEX F. GOMEZ

In active service with American Expeditionary Forces, A. P. O. 776, February 5, 1919.

Dear Aunt: Your letter of January 3 received a few days ago containing the very sad news of brother Carlos' death. I cannot explain in words how badly I feel about it, and here I am some seven thousand miles away, getting a letter now and then (maybe). I had an idea something was wrong when you wrote he was so sick, but Aunt, I guess I will have to bear it the best way I can, as we soldiers have had quite a few things to stand over here.

We have been quite busy these last two or three weeks. On the 27th of last month we were reviewed by General Pershing, who was well pleased with our division, and on the 4th of this month we were inspected by our corps inspector, and today we are to be inspected for the "cooties." Of course, I don't suppose you know what that is, but rest assured, I do know. I don't know what all the inspection means, but I think we may be home soon. Just to think of being once more in God's country and home! We are having great weather here, plenty of snow and rain. Well Aunt, how are you all. Is Grandma well? I received a letter from Aunt Annie and Lester and was so glad to get them. I hope you will continue to write, Aunt, and write often, as I hope you will never know the longing for a letter from home. With my love and hoping to be with you soon,

ALEX. F. GOMEZ,
364 Inf. Co. L.

Mrs. Lila Kirkpatrick who has been residing in Oregon, for the past ten months returned to her home in this city yesterday.

### MRS. ANNE SOLEN LAID TO REST

The remains of the late Anne Solen were tenderly laid away in a vault on Holy Cross cemetery, Colma, on Monday morning. Only relatives attended the last sad rites. Father W. P. Sullivan, a friend of the family officiated. Mrs. Solen spent the greater portion of her life in San Mateo county and in her girlhood was known as Anne Monahan. In scenes of pleasure and rejoicing she was first and also first where grief and sorrow came. She was a true Christian. Words and deeds of kindness, charity and love sprang forth from that pure, generous heart, unbidden and unasked. Mrs. Solen was a good mother and her goodness is reflected in her sons and daughters, who are honored and admired where they are known. The editor of this paper in childhood was a neighbor of Mrs. Solen and her many acts of kindness shown in these bygone days, will never be forgotten. She shall ever live enshrined within the sacred chamber of our memory.

## COUNTY BOARD WILL MEET TODAY

The big relief map showing the topography of San Mateo county that has been in the corridor of the court house since the close of the Panama International Exposition in 1915 is being removed to the basement of the building. The map had a prominent place in the booth of the San Mateo county exhibit at the fair and was much admired. Some time ago ehe members of the native sons parlors of the county petitioned the board of supervisors to have it removed as it obstructed the view of the great seal of the State of California.

Supervisor John MacBain during the week attended the legislative committee of the State Convention of supervisors. The committee went over all the bills pertaining to the boards of supervisors of each county. They found some "bugs". The state convention of supervisors will meet at Sacramento next Monday when the committee will make its report. The supervisors will meet today at the court house to pass claims instead of the regular meeting on Monday.

Mr. Fitzpatrick enlisted in the navy shortly after the declaration of war with Germany. After spending some time at the training station at San Pedro he was sent to New York.

Camp Lewis, Wash., Feb. 25, '19
Editor Times-Gazette:

I have been receiving the Times-Gazette every week and the news from home is always very interesting. I was pleased to read of the interest taken by the Redwood City people in entertaining the returning boys. I am now on my 16th month in this office and am anxiously awaiting for my discharge. I thought I would be in Redwood around March 1st, but hear this office will be kept intact for about two months more. Dickinson Falenhoffer and I are about the only Redwood boys here at the present time. I have seen Lieut. George Beltin several times and he is looking fine. Last Thursday I was somewhat surprised to see Gordon Seely walk into the office. He is looking fine and has a good position in Seattle, and wanted to be remembered to everyone.

Hoping this finds you in the best of health and thanking you kindly for forwarding me the Times-Gazette I remain,

your friend,
Sg't. ERIC THOMPSON.

### AMENDED COMPLANIT WAS FRAUDULENT

The damage suit of Giovanni Fontana against Peter Lombardi came to an abrupt ending in the Superior court on Thursday when it was shown that the amended complaint of plaintiff was fraudulent. The court at once dismissed the action and made the following order:

"The Court: You will enter this order, Mr. Clerk: That it appearing from the testimony of this witness, the plaintiff in this case, that he did not sign this amended complaint which has been presented here, it is hereby ordered that the complaint be and the same is hereby dismissed and the matter is referred to the District Attorney's office for the District Attorney to take action in regard to the signing of this amended complaint."

A Mansfield, attorney for defendant, brought out the fact on examination of the plaintiff that the complaint was never signed by him and that the signature was spurious. Fontana, when shown his alleged signature to the amended complaint, denied that he had ever signed the document. It was signed by Frank Fontana while the plaintiff's name is Giovanni Fontana. C. V. Riccordi, who is now being tried by the bar association for disbarment, is the attorney for Fontana. The suit grew out of a quarrel between the parties. Fontana was severely thrashed by defendant at South San Francisco on April 1,6 1918, Fontana brought the action to recover the sum of $5,000 as a balm for his wounded feelings. He secured the service of Riccardi.

### THE DELAY IS UNFORTUNATE

There has been a law on the statute books every moment for the past six years prohibiting the entry or the harboring of any man who preached doctrines inimical to organized government. Just now we are rounding up and deporting scores of such men. How did they get here, and how does it happen they were permitted to stay here? There are instances in which men held for deportation by subordinates of the Department of Labor for anarchistic teachings, whose deportation was prevented by men higher up. The realization that catering to such elements is dangerous is commendable, but it is unfortunate that it took some people so long to wake up to the danger; until, in fact, these voices were lifted not simply against the government, but against the administration.

### TO RESTORE PARTY RESPONSIBILITY

In order to avoid the charge of bossism it is to be hoped that the Republicans in the next House of Representatives will have the courage to meet in caucus and decide the party attitude upon important problems of legislation. The binding force of caucus decisions upon any individual could not be insisted upon, but the individual congressman could take his chance with his party and his constituents by acting independently of any party decision if he wished. The alternative to such a decision is chaos and irresponsibility in party and public affairs and the complete absence of real party leadership, the whims of individuals being substituted for the consensus of Republican congressional opinion, opening the way to the most dangerous sort of bossism.

### WORKED WHILE WE SLEPT

Seventy secret treaties between Japan and China, putting China in Japan's grip, are revealed. They were put over while Japan's allies were busy fighting a war to save the world for democracy. The way for them was opened by the present national administration when it announced the doctrine of Japanese "special interest" in China. We are asked to go into a world league on equal terms with the government which has worked while we slept in contravention of the very purposes for which this war has been fought, and Japan, assenting to the league of nations, declares that the confirmation of these treaties is consistent with the proposed world pact. More and more it becomes apparent that it is advisable for the Amreican people to arrive at a pretty clear understanding of the real implications of certain proposed arrangements.

### DIVORCE SUIT DISMISSED

The divorce suit of Carlin Olsen against Hugo Olsen has been dismissed in the superior court. The notice of dismissal was filed in the county clerk's office on Thursday.

### NORTH END GAMBLING

If gambling dens are being maintained in the north end of the county, as we are told by San Francisco parties, the fact should be established beyond any doubt. The county officers say there is not while others maintain that gambling is being conducted openly. If the law is being violated in this respect the blame for its continuance should be placed on the proper shoulders. On the contrary if there is no gambling going on the officials whose duty it is to suppress it should be freed from all blame. This continual cry of gambling in the county is injuring the peninsula and something should be done to stop it.

## SOCIAL AGENCIES OF THE COUNTY

The rapid expansion of the work of the social service agencies in San Mateo County is exceedingly gratifying to all thinking persons in the community. The work of these organizations is of vital importance to the welfare of the county and the results of their work will be of bene fit, both financial and social, that most people realize. Legislators and voters alike, seldom hesitate to provide funds for the building of levees to prevent floods, for organizations to prevent forest fires, for the abatement of disease-carrying insects and similar preventative work; yet these same people hesitate and delay in appropriating funds for the greater and more beneficial work of preventing human decay. It is this work that the social agencies of the county are carrying on and they should receive every encouragement in their work. The child of today is the man of tomorrow and as its life is molded in youth, so will it become an asset or a liability on the state in the future.

A meeting of unusual public interest will be held Thursday evening, March 20th, at the home of Mrs. J. B. Casserley in Hillsborough, when Professor Edward Knohbiel of Stanford University and Dr. Aurelia Reinhart, the well-known writer, will speak under the auspices of the San Mateo county Conference of Social Agencies. The public is cordially invited to attend this meeting and to take advantage of the opportunity thus afforded o hear both these speakers discuss the new social viewpoint.

Dr. Krehbiel will speak particularly on the State Conference of Social Agencies, which is to be held at San Jose, April 22nd to 25th, and Dr. Reinhart will discuss important aspects of social welfare work.

# SUPERVISORS IN REGULAR SESSION

The board of supervisors met in regular session Monday, March 3, at 10 a. m., there being present John MacBain, presiding; T. L. Hickey, W. H. Brown, Jos. M. Francis and Dr. C. V. Thompson.

The report of County Horticultural Commissioner Newton A. Peck, for the month of February, 1919, showed that he had inspected 13,610 trees ,shrubs and plants during that time, all of which, with a few exceptions, were passed as clean.

The report of J. R. Eubanks, superintendent of the county farm and hospital, showed that he had cared for 73 inmates during the month of February, 12 of whom had been discharged and two had died.

A communication was received from the State Association of County Boards of Supervisors, calling attention to the coming session of the organization at Sacramento on March 10, and urging the representation of the San Mateo county supervisors. Special attention was called in the communication to several proposed assembly and senate bills that will be taken up and discussed at the meeting.

In order to permit the supervisors to attend the session, which convenes on Monday, the board, on motion of Brown, seconded by Francis decided to meet next Saturday March 8, instead of Monday, the regular claim day.

A communication was received from W. G. Stewart of Montara, calling attention to alleged damage to his property at that place by the reason of cutting down the county boulevard. He claimed in his communfcation that he had taken the matter up with the board on a previous occasion but without any satisfactory results and threatened that unless something was done this time that he would institute legal proceedings to compel the board to take some action.

Supervisor Francis, in whose district the property is located, reported that he had investigated the situaion and ha as far as he could see Stewart had not suffered any damage through the building of the boulevard. The communication was thereupon ordered filed.

The board received notice of an examination that is to be held in this city on March 18 for the position of horticultural commission.

Chairman MacBain stated that County Horticultural Commissioner Newton A. Peck had requested of him the use of the supervisors' chambers in the court house for the holding of the above examination.

The board granted the use of the room, on motion of Brown, seconded by Francis.

A communication was received from the Civic League and Improvement Association of San Francisco, enclosing considerable literature concerning Senate bill No. 105, which has for its provisions the cutting down and leveling of Hunters Point and the reclaiming the tide lands near the boundary line dividing San Mateo and San Francisco counties. The endorsement of the board was asked in the matter.

County Surveyor Kneese who was present at the meeting, gave a brief summary of the proposed bill, explaining that among its provisions was the appointment of a commission to handle the situation and the appropriation of $50,000 by the State to defray the expenses of the engineering work and preliminary surveys for the project. He stated that while nothing definite had been decided upon as to the plan for raising the necessary money for carrying out the project, he believed that this would be provided for by forming a Harbor District.

On motion of Brown, seconded by Francis, the communication was ordered referred to District Attorney Swart for that official to invesigate and if no objections were found there to to draw up a suitable resolution endorsing the project.

Later in the session, the district attorney reported that as far as the bill read there was nothing in it that would put any financial burden upon San Mateo county. A resolution then presented and read by District Attorney Swart endorsing the project, was adopted by the board, on motion of Brown, seconded by Hickey.

A communication was received from the Department of the Interior, relative to the storing of explosives in the county and designating the style and sizes of boxes to be used for this purpose.

A communication from the California State Automobile Association relative to the big meeting held in San Francisco on February 12, was received and ordered filed.

A claim of James Keegan of San Mateo, amounting to $575.30 and being for labor and material furnished in the building of the Homestead bridge on the Sawyer Camp road in the Second township, was allowed, on motion of Brown, seconded by Hickey.

Supervisor Thompson reported that the fill on the road south of Pomponia creek in his district had washed out, interfering seriously with traffic and that he had taken steps to remedy the situation. The actions of the supervisor of the Fifth district in the matter were ratified by the board on motion of Thompson, seconded by Francis.

The board, on motion of Francis, seconded by Brown, also ratified the action of Supervisor Thompson in repairing some broken underpinning on the bridge across New Years creek in his district.

Supervisor Thompson was also given permission, on motion of Francis, seconded by Hickey, to repair the underpinning on the Gazos creek bridge as soon as the water in the creek is low enough to permit the work being done. Monday, March 17

Mon motion of Hickey, seconded by Thompson, the supervisor of the Fifth township was given authority to purchase lumber in Halfmoon Bay needed for the above bridge work.

On motion of Brown, seconded by Francis, County Purchasing Agent Werder was instructed to procure a price on a 24-foot portable pile driver, with a thousand-pound hammer, together with a gasoline engine for operating the same.

On motion of Brown, seconded by Francis, County Surveyor George A. Kneese was instructed to make a survey of a certain road in the Fourth district.

Chairman MacBain addressed the board and urged that atcion be taken in the matter of desiding upon the selection of a site for the proposed new county hospital.

On motion of Hickey ,seconded by Brown, the clerk was instructed to write the members of the advisory committee appointed on the hospital site selection to have a report ready on Monday, March 17.

In compliance with a request made by the board at a previous meeting. District Attorney Swart submitted a written opinion concerning the legality of the acts there related with reference to the union of school libraries with the county library.

On motion of Hickey, seconded by Brown, the matter was referred to Chairman MacBain for the latter to taken up with Miss Bailey, the county librarian.

District Attorney Swart presented and read Ordinance No. 304, regulating the keeping of dogs within the county. The ordinance provides that no person, firm, corporation or family living together within the same dwelling house within one-half mile of any other residence, shall keep more than two dogs unless permission is first obtained from the board of supervisors. Violation of the ordinance is a misdemeanor and is punishable by a fine of not more than $250, or imprisonment in the county jail for not more than 90 days, or by both fine and imprisonment.

Supervisor Hickey made a strong talk against the proposed ordinance, saying that he did not think it was right to permit the number of dogs in the county.

On motion of Francis, seconded by Brown, the ordinance was adopted, all the members of the board viting "yes" on roll call, with the exception of Supervisor Hickey, who voted "no."

The board adjourned at 12:35 p m., to meet next Saturday, March 8th, at 9 o'clock.

# MENLO PARK NEWS OF ALL SORTS

## Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

The stork left a baby boy at the home of Mr. and Mrs. John F. Moore, 349 Kipling street, Palo Alto, Wednesday, March 5, 1919. The boy has been named Joseph John Moore. The proud father is the bookkeeper at St. Patrick's Seminary.

Mrs. Ann Brady, beloved wife of Owen E. Brady and loving mother of CharlesA. Brady of this place, passed away at her home in San Francisco last Monday. The deceased was a native of Ireland. She was known for unostentatious charity and for her kindness to those in distress. The interment took place at Holy Cross cemetery, Colma ,last Wednesday. Besides her husband the deceased is survived by the following children: Mary C. Brady, Matthew V. Brady, Charles A. Brady, Dr. Joseph Brady, A. Paul Brady, Mrs. A. J. Lartigau. A daughter, Anna E. Brady, passed away some time ago.

It is just possible that the proposed new factory to be established on the Pacific Coast by Henry Ford will be located at Camp Fremont. A relative of the Ford family trained at the big camp and was recently mustered out of the service as a captain. He went to Detroit loud in his praise of the camp and its environments. When the matter of locating a factory on the Coast arose the captain went at once to his uncle and told him of the possibilities of Menlo Park. An impression no doubt was made upon Henry Ford for during the week a representative of the famous manufacturer was here looking over the ground and went away well pleased with the situation. Mr. Ford also has another site in mind and that is the old Tanforan race track near San Bruno. It is believed that Ford favors Menlo Park. There will be from 5,000 to 10,000 persons employed in the proposed factory, none of which will receive less than $6 a day. The factory will be separate from the Ford Motor company and will be owned by members of the Ford family. Mr. Ford wants the factory in this state to build his new car which will be sold at a price from $250to $350. Menlo Park is certain to come into its own eventually.

Dr. W. L. Adams, who passed away in San Francisco last week, grew to manhood here and was well-known and well-liked by all who knew him. His father maintained a beautiful home at Atherton now the property of James L. Flood. The doctor was a whole soul genial man, beloved by all. He had gained a high place in his profession. The death of his wife some years ago was a severe shock to him from which he never fully recovered. At one time he maintained offices at Palo Alto and did a big business. His mother only died last year. All old settlers recollect him as a boy when he romped about the fields of his boyhood home, then called "Fair Oaks."

The Merrill property lying between Fremont Theatre building and the property of Joseph Larkin, has been leased by the Dolan Wrecking Co. for a lumber yard. All the lumber taken from the buildings at Camp Fremont will be hauled to the yards and sold. The company is doing a big business.

The Red Front went out of business during the week. The concern was the first to arrive here after the soldiers came and did a big business in selling souvenirs. They perhaps made more money than any concern that came here.

The firm of Nessler and Vail has been dissolved by mutual consent, Mr. Nessler taking over the business and Mr. Vail retiring. The place has been known as the Little Green Door and is doing a thriving business. Both gentlemen have many friends here. Mr. Vail has the best wishes of all for future success.

Superior Judge Deasy of San Francisco has leased the Garabaldi place near town for the summer. Police Judge Sullivan, also of the city, has rented a home near-by for six months Both judges will be here shortly.

Thomas Coleman and Moses Hoag were last Saturday calling on friends They formerly resided here and before the war went to Salt Lake City.

Mr. Hoag was the chief waiter at the Oak Grove Villa for many years. They will reside in San Francisco.

Sergeant Thos. F. Connors departed during the week for Base Hospital 21, Denver. The Sergeant was the first to arrive here when Camp Fremont was established and is among the last to leave. He made many friends here by his gentlemanly demeanor and manly bearing. The Sergeant has been in the army for more than twenty years and will retire on a pension in about three years. Mr. Connors carries with him the best wishes of the people of Menlo Park for success wherever he may go.

Miss Louise Clark has gone to Straw, Modoc county, to resume her duties as teacher of the grammar school there. Miss Clark taught there all last year and was quite successful.

Captain Stanley Thomson left yesterday for New York to resume his duties with his regiment after spending two weeks here with his parents. He came west to see his father who is very ill. The captain will remain in the army and be an officer in the regular establishment.

A real estate office has been located in the Bank building and apparently the manager is doing a good business.

A baby boy was born to Mr. and Mrs. John B. Welsh at the Peninsula hospital in Palo Alto on Thursday, March 6, 1919. Mother and child are doing nicely. A son and daughter now make up the younger portion of the Welsh family.

From the rapid way in which tickets are being disposed of for the St. Patrick's Day entertainment in the Hall of the Nativity on next Friday evening, it is certain a big crowd will attend the performance. The Vexillian Society of San Francisca will present a play that will amuse all. Whenever the society has appeared it has received much praise for its performance. The students of St. Joseph's Parochial school will also appear on the interesting program. Irish songs and dances are sure to amuse the audience. The program is replete with interesting numbers from beginning to end. Secure your tickets early and thus avoid the rush. Admission 5 0cents.

**Bank of Italy**

*—all California seems like home to the Bank of Italy depositor*

Every month thousands of Californians travel about the big state on business or pleasure. Depositors of the BANK OF ITALY, with its 24 banking offices in 18 California cities, know what an advantage it is always to be within reach of of a friendly bank—"their" bank. They have immediate access to reliable information regarding the community where they are visiting, and also have at their command a great variety of valuable services.

But this is only one of the reasons that has caused this bank to grow from $16,392,000 deposits in 1914 to over $85,000,000.00 in 1919—a gain of 366%.

An equally important reason is the attitude of the bank toward its individual depositors—an attitude of friendliness, helpfulness and real interest in their personal welfare. You will enjoy doing business with the Bank of Italy.
